

East Cooper Outboard Motor Club

Club House rentals.

Rent is \$1350.00 for a Friday or Saturday, plus a refundable \$400.00 security deposit. Sunday through Thursday rent is \$850.00 a day. The security deposit will be refunded if you turn the club back to us the way we turned it to you. Cleaning fee is \$150.00. With this fee you are still responsible to have decorations down and trash in dumpster. You are also responsible to have tables and chairs put back in closets. If you would like us to do more we can add to cleaning fee to accommodate your needs. When you pick a date I will need a \$300.00 deposit to reserve this date. This deposit will be subtracted from the rent. (The reserve deposit is refundable up to 60 days of the event). We will collect the remainder the day of event. Make all checks out to ECOMC, except the clean up fee.

Tables and chairs are included. We have 20 rounds at 60 inches in diameter, 10 rectangular at 8' x30 ", and 200 stackable chairs. Ice is included. We have an icemaker just out the back door, which you can use. We have heating and air and separate restrooms. The kitchen has a 4 burner stove, sink, refrigerator, and counter space. The hall lights are on dimmer switches. The oyster shed is out the back door and has curtains to let down if weather gets bad.

The bird observatory, dock, boat landing, and boat wash area are off limits to renters and guest. What you rent is the club house and surrounding yard, and parking area in front of building.

We do not have a house caterer so you can pick your own. You can have alcohol if you give it away. If you sell it I will need a certificate of liability. Underage drinking is not allowed. If this happens you will be asked to leave with no refunds. You can have a band or dj. We have plenty of power inside and out to handle most bands. Check-in is at 11:00am (if you need to get in earlier we will work with you). We expect you to close down your party by midnight. I will be glad to answer all of your questions.

The month of November is ECOMC annual fundraiser. We have a turkey shoot to raise money for local charities. This is held away from the clubhouse but your parking maybe affected. If we foresee a problem we will help with parking. Inside the clubhouse you are not affected. I have not had a problem with the two events running at same time. When a party mingles with the turkey shoot it always adds extra entertainment to your event. If you choose to have your memorable day in November, we will work with you to make it special. The turkey shoot is closed on Sunday.
