-Remember to bring some cash for the 50/50 - that helps the club pay for the food and drink!

Christmas Party:

A huge success thanks to Norm Engard and the party committee - Special thanks to all who helped set up and clean up.

Thanks to you - the club donated 447 pounds of can goods to ECCO!

HOWEVER the missing "Nut Crackers" have not turned up yet- if you know where they might be. Please bring to the meeting and place them behind the bar so the owner can keep his family memories.

Goldbug's Wake

December 14, 2016

Turkey Shoot News: The 53rd annual turkey shoot was a huge success. The committee lead by Randy Howe has already started planning the 54th Annual shoot – the net results will be reported as soon as they are available – somewhere near 9000 shots were fired and not a single person or live turkey suffered loss of life.

NOTICE: Please discontinue the dumping of oyster shells in the old pile behind the Clubhouse due to the odor they cause – If you have shells to dump – contact Cherry Thomas for a beneficial dumping location, or place them at a county oyster shell recycling dump so they can be collected, processed, and replanted for future generations.

Needs saying **again** and **again**?:

Please remember the ECOMC HOUSE RULE #19 concerning the Ice Machine
“Members are allowed to take a maximum of 48 quarts of ice from the clubhouse ice machine prior to embarking on a boating outing. Members are allowed to use ice when renting the club at the sole discretion of the House Committee Chairman.”
