SUMMER BOATING SAFETY

Rescue is faster when you use the USCG Float Plan.

Whether you are a power boater or kayaker, the USCG Float Plan works for you. Set up a basic plan ahead of time and save it on your computer. Update it when you decide where and when you're going to go. Then, e-mail your completed plan to whoever you choose to follow up should you not return or check-in as planned.

Features and capabilities you'll find in this version of the float plan:

- Save and send using any device with Adobe Acrobat Reader installed.
- Can be used with any size or type of recreational vessel.
- Accommodates up to 13 canoers/kayakers/paddle boarders that want to paddle together as a group.
- User defined fields provide increased flexibility.
- The ability to enter the unique identification numbers for the vessel's EPIRB and Personal Locator Beacons (PLBs) attached to individual PFDs.
- Drop down lists that let you easily see all of your choices.
- Accommodates up to 12 passengers.
- Identify up to 21 waypoints.
- Exclusive Boating Emergency Guide™ assists the person holding your plan with starting the Search And Rescue process.
- 100% digital means it's easy on the environment.
- The float plan and the data you enter is stored on your computer or mobile device under your control.

It's FREE. From the experts in boating safety, the U.S. Coast Guard and U.S. Coast Guard Auxiliary.

Saving lives is what the float plan is all about. Create a float plan before your next voyage.

If you ordered a ECOMC Jacket - it will be available at the next club meeting. Also ECOMC Hats for sale

Members Helping Members:

I am the tournament director for the 25th annual Fishing for Miracles King Mackerel Tournament, sponsored by ECOMC / BG and would like to invite members to participate in this final tournament by volunteering your time during the event on August 16th, 17th and 18th. There are many tasks that you may be able to help with including set up on the 16th beginning at noon, captains meeting that night, weigh in and dock help on the 17th and 18th. And clean up each day - please call me at 843-214-1408 or call Carol at 843-813-7760.

*Thank you,
John Gourdin*
