THANK YOU from the Entertainment Chairman to all the volunteers that helped set up for the Annual Oyster Roast, Thanks to Mike and Kevin for cooking and Thanks to Roy for all the clean-up services – Remember guys without volunteers the club functions would not be a great as they are.

Speaking of volunteers, if you need more work party credit you only have until April 30th to meet club requirements. Due to Covid-19 each member will be given (3) credits for missed meetings.

House Rule #15:

Members must participate in a minimum of seven (7) Work Parties and/or monthly Meetings or other activity focused on maintenance of the club's property or mission (eg. During their first year, Probation Members must attend six (6) meetings and participate in two (2) work parties.

The domain of honey bees is pretty simple and, at the same time, fraught with complexity and danger. The bee is so fundamental to the natural world that lots of human folk seem to have an intrinsic fascination with its habits — and sometimes an accompanying urge to get involved.

Enter the beekeepers. First, they must pore over the literature found online, in books and on YouTube. They must acquaint themselves with the potential perils and the methods for deriving that sweet reward.
